OBJECTIVE

Seeking a job in a reputed organization where I can make the best of my potential,learn new skills,expand my knowledge and contribute to organization growth

EDUCATION

Bachelor of Computer	**per**:93	2024
Science Sri Ramakrishna Degree College.		
Class 12th	**per**:87	2021
Pragna Junior College.		
SSC	**per:**95	2018
Sri Raghavendra E.M High School		

SKILLS

Programming languages: Python
- Proficient in Python for scripting, including procedural and object-oriented programming
- Skilled in SQL for database management and queries.
- Experienced in PL/SQL for advanced database operations and procedures

Web Technologies: Html5, CSS, JavaScript
- Proficient in HTML for structuring web content.
- Skilled in CSS for designing responsive layouts.
- Experienced in JavaScript for interactive web features.

Data Base: MySQL
- Proficient in MySQL database management and queries.
- Skilled in optimizing MySQL for efficient data handling.
- Experienced in designing and managing MySQL databases.

PROJECTS

TIC-TOC-TOE

Technologies: HTML, CSS and JavaScript

- created a **Tic-Toc-Toe** game using **Html**,**Css** and **Javascript**, where the player can play against the computer. The game uses a standard 3x3 grid and follows classic Tic-Tac-Toe rules.
- It automatically checks for a win, loss, or draw and displays the result. The interface is simple, interactive, and user-friendly, and players can restart the game anytime for a new round.

Metro Ticketing System

Technologies: Python and MySQL
- developed a **Metro Ticketing System** using **Python** for backend logic and **MySQL** for managing station and fare data. The system handles fare calculation, ticket generation, and route processing using functions, loops, and conditional logic.
- It supports multiple passenger inputs and applies dynamic discounts. A simple Python-based interface allows users to input travel details and view tickets efficiently.

CERTIFICATES

Python Full Stack Development Course from Vcube Software Solutions.

DECLARATION

I hereby declare that all the details mentioned above are the truth and facts as per my knowledge and I hold the responsibility for the correctness of the above-mentioned particulars.
